MIKE & TRISH VALLER  
(406) 755-2735

Greetings from Montana!

We hope everyone had a lot of fun growing Dahlias, and if you took them to any shows, you should have enjoyed the camaraderie, I know I did. The new friends you meet at every show make it all worth while. Of course, a few ribbons add some spice.

*We were surprised by a severe freeze before the roots were all dug, so we lost about twenty varieties. The previous sentence was in last years catalog introduction and happened again in 2009. I'm not sure how many we lost this time, mostly the "other" varieties. Production was also down from the worst infestation of spider mites we've had. I was unable to get systemic insecticides that were effective before, so I started experimenting with organics. I think one is going to work, but I was too late to know for sure. I'll let you know next year.*

After all the problems, we were still blessed with a good crop of fine tubers and blooms for the markets. I believe you will find our new introductions to be worthy of trying as well as last years. We thank those of you that have purchased from us in the past years and welcome new customers.

We guarantee our tubers to have a viable eye and be true to variety, but we cannot guarantee a tuber will grow in unfavorable weather, insect, or soil conditions. If you have any problems with your order, let us know as soon as possible. We will gladly replace tubers, if possible, or refund your money.

Cultivars are listed with a combination of classification number followed by the position number in group, size, form, color, plant height, year of introduction, cut flowers we especially like, and other info. You will find most of the "FABULOUS FIFTY" and "CREAM of the CROP" as well as good old reliables.

Bonus tubers: one for each \$30.00 of tubers purchased, **our choice and dependent upon supply.**

A note to our foreign customers: we will be shipping via Air Mail at a cost of \$12.00 plus \$23.00 for the inspection certificate for a total of \$35.00 plus the price of the tubers. Send payment in **U.S. dollars** with order.

Confirmation will be sent as soon as possible. We ship via Priority Mail within the U.S. on Mondays and Tuesdays starting April 5th unless otherwise requested. Shipping rates are at the bottom of the order form. Make payment by check or Money Order – **NO Credit Cards.**

We use the following abbreviations: \*=Fabulous Fifty      +=Cream of the crop
